Personal statement

As a passionate and dedicated front-end web developer I aim to create captivating and user-friendly websites that leave a lasting impression. With a strong foundation in HTML CSS Tailwind CSS React JS and JavaScript I bring expertise in crafting visually appealing and responsive designs.

With a keen eye for detail and a commitment to delivering high-quality work I am excited to contribute my technical expertise to a dynamic and forward-thinking organization. I am eager to tackle new challenges and thrive in a collaborative environment where innovation and creativity are valued.

I am confident that my skills enthusiasm and dedication make me an ideal candidate for the front-end web developer position. I look forward to the opportunity to contribute to your team and make a meaningful impact.

Education

Bachelor of Science in Information Technology

Saint Louis College - La Union
Major:
August 2022 - Present
